

Groff Template

Why word processors should be abolished

1. Introduction

This is a paragraph, under a section

This is demonstration text lol,

1.1. Subsection

This is a demonstration of text, under a subsection.

(bold)

underline

boxed	this is fucking a box	HELP ME ESCAPE THE BOX
-------	-----------------------	------------------------

2. Demonstration of Macros

- Let's let our sanity
- Rapidly spiral
- Out of control
- Just, like this example of a "list item"!

We'll be with you right after this break, kids!

- Look, mom
- No word Processor :)

Imagine using a typewriter and all your shit look like this :0.
